

Reading for Sure™ offers something different that actually makes a difference.

- Systematic phonetic instruction
- All ages
- Stepping Ahead for preschool
- One to one instruction
- Designed in Australia
- All areas of literacy covered

Some students need a different way of being taught to read – the standard ways are not working for them.

Increases literacy levels for those with:

- Dyslexia
- Autism Spectrum Disorder
- ADHD
- Global development delay

READINGFORSURE™

ABOUT US

Reading For Sure™ uses a coded phonics program to systematically give students access to the English language without guessing, memorizing long lists of words or becoming stressed and anxious. Don't wait! Start as soon as you can and you will have a student able to read and reach their potential at school.

READINGFORSURE

Something different that makes a difference.

Surprisingly, we assume reading comes naturally. It doesn't.

Be sure of success with this reading program.
